Solar-Powered Ovens

Ages 11 & up

Join us for a super cool program on how to turn a pizza box into a s’more cooking contraption with only the power of the sun!

This program will be held in the small program room in the back of the Children’s room on Friday, August 10th from 11 a.m. to 12:30 p.m.

Please register your child for this event at the Children’s desk starting Wednesday, August 1st. Registration ensures that we will have enough materials for each participant.

Woonsocket Harris Public Library.

Due to the weather-sensitive nature of this event, the rain date will be announced at another date.

This science presentation brought to you by Explore Earth: Our Changing Planet

Explore Earth: Our Changing Planet is a traveling exhibition for libraries. Explore Earth is part of the STAR Library Education Network (STAR_Net) led by the National Center for Interactive learning at the Space Science Institute. Exhibit partners include the American Library Association, The Lunar and Planetary Institute, and Afterschool Alliance. Explore earth is supported through a grant from the National Science Foundation.

Additional local support is provided by Olly’s Mediterranean Pizzeria and the Friends of the Woonsocket Harris Public Library.
